

SUSTAIN YOUR TRAINING

AMPED™ Fuel is designed to keep your muscles energized so your training can go the distance.†

WHY YOU NEED AMPED FUEL:

STAY FUELED

Refuel during activity with fast-acting carbohydrates from apple puree, agave, and molasses.

KEEP MUSCLES STRONG

Branched-chain amino acids help protect muscles during extended training.†

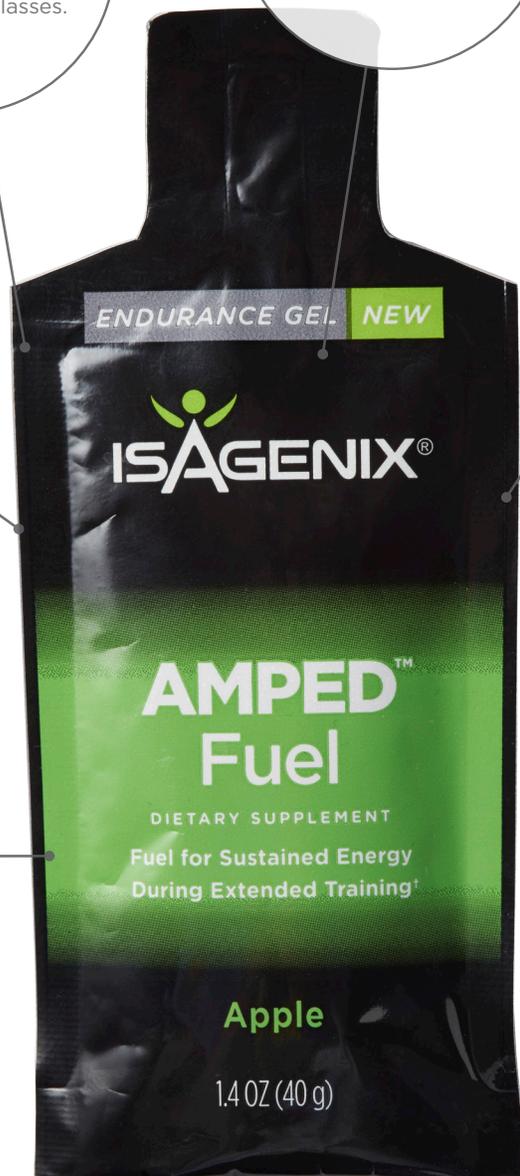

GO THE DISTANCE

Energize muscles for greater endurance.†

CONVENIENTLY PACKAGED

Individual servings are transportable and perfect on the go.

WHAT IS AMPED FUEL?

AMPED Fuel is a conveniently packaged mid-workout gel that helps sustain endurance during any extended or demanding activity.†

HOW IT WORKS:

The easily digestible gel delivers ready-to-use energy and features branched-chain amino acids. AMPED Fuel is a perfect, transportable option for people on the go that helps energize muscles for greater endurance. Refuel during intense activity with the right balance of fast-acting carbohydrates from apple puree, agave, and molasses.† *No artificial flavors, colors, or sweeteners.*

ENDURANCE IN ACTION:

Fast-acting fuel is crucial for maintaining peak performance during endurance training or events. You need the right combination of easy-to-digest carbohydrates to reach your muscles fast and hold off fatigue. Muscles also need branched-chain amino acids during extended exercise to offset breakdown.

Perfect for:

- Those 16 and older
- Athletes
- Anyone looking to improve endurance

SOY-FREE

GLUTEN-FREE

DAIRY-FREE

WHAT MAKES AMPED FUEL UNIQUE?

AMPED Fuel contains 22 grams of energy-fueling carbohydrates in an ideal combination to optimally refuel muscles during activity and maximize energy and performance. AMPED Fuel is not just a carb gel, but also features branched-chain amino acids to help reduce muscle breakdown and speed recovery.

The effectiveness of AMPED products depends on nutritional timing—when you take each product throughout your workout. There are three windows, pre-, mid-, and post-workout, where these products are designed to help deliver results.
