

# TRAIN HARDER. TRAIN LONGER.

AMPED™ NOx is the perfect way to prime the muscles for maximum performance and intensity.

## WHY YOU NEED AMPED NOx:

### NITRIC OXIDE PRODUCTION

Fruit and vegetable extracts support nitric oxide production.†

### BLOOD FLOW SUPPORT

Supports blood flow for optimal delivery of nutrients and oxygen to cells.†

### GO THE DISTANCE

Energize muscles for greater intensity and stamina.†

### PRE-WORKOUT

Take before training to improve athletic performance.

## WHAT IS AMPED NOx?

AMPED NOx is a pre-workout shot that supports nitric oxide production for healthy blood flow and oxygen delivery to cells so your muscles can function efficiently and reduce fatigue.†
