PLEASE NOTE ALL MONETARY NOTATIONS ARE IN CANADIAN DOLLARS AND ARE EFFECTIVE UNTIL JUNE 27, 2016. Also, note that in accordance with the Global Foreign Exchange Policy, rates are subject to change every six months and are based on the average exchange rate during the prior six months. This exchange rate factor will be calculated the last Monday of each December and the last Monday of each June based on published exchange rates. The exchange rate factor, determined for each country, will be subject to a minimum and a maximum, which have been established based on historical exchange rates.
