

Product B™

Antioxidants plus Telomere Support and Ageless Essentials™ with Product B (for men or women)

FAST FACTS

For more information go to StaYoung.info

- Proprietary, scientifically advanced formula of antioxidants for protecting telomeres and stimulating more efficient antioxidant enzyme-defense systems.
- As part of your body's normal aging process, each time a cell divides the telomeres in your DNA get shorter. Add oxidative stress, obesity, poor nutrition, and toxicity to the mix and telomeres shorten even more rapidly.
- Antioxidants fight free radicals and stem the causes of oxidative stress, but a key combination is needed to reduce the effects of oxidative stress on your telomeres.
- Contains a full spectrum of natural bioactive antioxidants to help protect against harmful free radicals that can accelerate aging and contribute to poor health.
- AM/PM Pack offers the ultimate in Telomere support by combining Product B with the unique combination of essential vitamins, minerals, antioxidants and micro-nutrients you need every day to look and feel your best.
- Contains Essentials for Men™ or Women™ – A multivitamin with advanced absorption delivery systems and rapid disintegration technology to ensure the body receives vital nutrients throughout the day, specifically designed to meet the needs of a man or women. For men: saw palmetto and lycopene to support prostate health. For women: extra calcium and vitamins to help promote skin, hair and nail health.
- Contains Ageless Actives™ and IsaOmega Supreme®– Delivers Potent doses of CoQ10, vitamin D3, resveratrol and DHA and EPA omega-3 essential fatty acids to help slow the progressive degeneration of the body and provide total-body support for immune, brain, vision, joint and cardiovascular health.

Certain natural ingredients in Product B have been shown to induce telomerase in-vitro. In-vitro lab results may not be indicative of in-vivo results. For optimal telomere benefits Product B is intended to be taken as part of an Isagenix Lifestyle System (Cleanse for Life®, IsaLean® Shake, Ionix® Supreme and Ageless Essentials™ Daily Pack) along with a sensible diet and exercise.

For best results, take 2 capsules of Product B in the morning and 2 capsules in the evening on cleanse days or with an IsaLean Shake or meal. To get the best youth-supporting benefits of Product B, be sure to include:

Deep Cleanse Days on a regular basis and everyday cleansing with Cleanse for Life (1 "scoop" of powder or 1 to 2 ounces of liquid up to twice daily)

Take the A.M. and P.M. packets of age-defying supplements included in the Ageless Essentials Daily Pack every day

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Until registration is complete, Product B Antioxidants plus Telomere Support is available to our Canadian Associates for personal use only (including our pre-launch program).

We will make every effort to have Product B Antioxidants plus Telomere Support available in Australia, Hong Kong, Taiwan and Mexico as soon as possible. Launches will occur after U.S. and Canada.

The ISAGENIX logo is displayed on a white, tag-like background with a string tied around it. The logo consists of a stylized green figure with arms raised above the word 'ISAGENIX' in a bold, black, sans-serif font.
