All amounts are shown in USD. To calculate the CAD equivalent, multiply the USD amount shown by the Foreign Exchange Multiplier (1.11) (USD x Foreign Exchange Multiplier = CAD). For example you earn \$820 USD for YOU+2, THEM+2 with President's Pak. To calculate the CAD equivalent (\$820 USD x 1.11) = approx. \$910 CAD. This value is subject to change every 6 months based on published exchange rates. The Foreign Exchange Multiplier of 1.11 is valid through December 28, 2015.
