

ISAGENIX® SCIENTIFIC ADVISORY BOARD

Isagenix® has attracted the best and brightest professionals in the fields of nutrition, medicine, and health and wellness to serve on our Scientific Advisory Board (SAB). Collectively, they represent the leaders in their respective fields, and also the Isagenix commitment to excellence, which is to guide people safely along the path to optimal health and wellness.

The Scientific Advisory Board (SAB) is a group of medical and health professionals who provide input on new and existing products, helping Isagenix® to maintain the integrity and efficacy of our no-compromise products.

Dennis Harper, D.O., Board Chair

Dr. Harper has been in general medical practice for 20 years and was instrumental in getting the DSHEA (Dietary Supplement Health and Education Act) implemented in 1994. Dr. Harper is a voting member of the American Osteopathic Association, President of Physicians for Progressive Medicine, Chairman for the licensing board for the state of Utah and a Fellow for the Federation of State Medical Boards. Dr. Harper is the author of “Cleansing for Life: Nature’s Best Kept Health Secret.”

Dr. Suk Cho, Chief Science Officer

Under the leadership of Dr. Suk Cho, Isagenix boasts more than 30 full-time scientists and a global scientific research network. As Chief Science Officer, Suk brings breadth of product development experience and diverse technical knowledge to Isagenix. He has more than 30 patents, has authored more than a dozen peer-reviewed publications, and served on multiple scientific advisory boards. He has also held prominent positions in large corporations including global product giant Unilever, as well as VP of R&D for a \$900-million direct selling company.

Nicole Kafka, MD, FACS, FASCRS

A colon and rectal surgeon, Dr. Kafka is a published author in her field and holds an undergraduate degree with honors from Harvard University and a medical degree from Cornell University. She currently operates a private practice in New York City where she shares Isagenix® as another health option for her patients who want to improve their health and wellness.

Michael Colgan, PhD, CCN

Dr. Colgan is an internationally renowned research scientist acknowledged as one of the world’s scientific experts on the inhibition of aging. Dr. Colgan has written more than fifty research papers, authored more than 700 articles and written 16 books, including two bestsellers. His professional memberships include the New York Academy of Sciences, the American Academy of Anti-Aging Medicine, the American College of Sports Medicine, and the British Society for Nutritional Medicine. In 2002, Dr. Colgan was inducted into the Canadian Nutrition Hall of Fame.

ISAGENIX® SCIENTIFIC ADVISORY BOARD

Patrick Bitter Jr., M.D.

Dr. Bitter is a dermatologist certified by the American Board of Dermatology. Since 1986, he has maintained a private practice in Los Gatos, California specializing in dermatology, skin cancer surgery, and cosmetic surgery. Dr. Bitter is a Fellow of the American Academy of Dermatology, the American Society of Dermatologic Surgery and the American Society of Lasers in Medicine and Surgery. He's a member of the American, California and Santa Clara County Medical Associations and a frequent lecturer for the American Cancer Society.

Paul Anderson, M.D., D.A.P.M

Dr. Anderson is the Founder and CEO of Natural Pain Relief Centers in California. His extensive research and experience has made him a leading expert in the field of natural pain relief and he has helped over 5,000 people in the U.S. and Canada find relief from their pain. He is a graduate of the University of Toronto Medical School and a Diplomat of the American Academy of Pain Management. His passion for seeing others achieve health and wellness naturally led him to develop IsaDelight®.

Mark Kimes, D.C.

Dr. Kimes has been a practicing chiropractor for 23 years and is director, owner and clinician for one of the largest all-natural health care centers in North America. His credentials include Distinguished Fellow of the International Chiropractors Association, Past Vice President of the International Chiropractors Association of California, and Diplomat of the National Board of Chiropractic Pediatrics.

Marilyn Territo, C.E., C.M.

Ms. Territo is an award-winning businesswoman, Wellness Lifestyle Coach, and Clinical-Paramedical Esthetician with 30 years of experience in the fields of alternative health care and medical-esthetics as a private practitioner. She is a Certified Myotonologist (facial muscle rehabilitation specialist), CranioSacral Therapist, Aromatherapy Practitioner, and Certified DNA Practitioner. She's served as technical consultant, trainer, and corporate spokesperson for Herald Pharmacal, Inc., Allergan, Inc., Skin Care Division, Murad Skin Research, Inc., and the DNA Health Institute, Cryogenic Division, LLC.
