

CELLETOI FIRMING CASHMERE CREAM

Your Key to Skin Hydration

This luxurious ultra-rich cream helps heal dryness and infuses the skin with all-day moisture for a naturally vibrant and restored complexion. Hyaluronic acid and soothing Ceramides support the skin's ability to retain moisture while botanical extracts help protect against harmful environmental stress, toxins and pollutants. Skin feels firmer, looks healthier, and visibly rejuvenated.

Benefits

- Deeply hydrates and moisturizes the skin
- Helps shield against environmental damage and pollution
- Helps soften and nourish the skin for smooth and lifted complexion
- Protects the skin's moisture barrier
- Diminishes the appearance of fine lines and wrinkles

Featuring
